Product composition

Application

This tape is suitable for permanent mounting of materials with even or slightly rough surfaces, for indoor and outdoor use. It is particularly suitable for mounting mirrors, also in rooms with temporary higher air humidity as in bathrooms. The application as mirror mounting tape on a furniture surface was certified by LGA Nürnberg, Germany, by using a tape with a thickness of 1 mm.

Product benefits

- Outstanding initial and excellent final adhesive strength
- Very good ageing, weather and plasticiser resistance
- Compatible with mirror finish and acrylic glass
- Compensating of slight unevenness and thermal expansion
